BIOCLEAR
BIOCLEARMATRIX.COM

The 4-day course combines our Core Anterior and Core Posterior in-person training programs at our facility in Tacoma, Washington.

When you bundle your 4-day course tuition and complete operatory package at the same time, you'll be purchasing all the tools and education to perform Bioclear and the Bioclear Method in your operatory.

ABOUT THE COURSE

This Core Anterior/Core Posterior Bioclear certification course builds a strong foundation in the Bioclear Method and an understanding of Bioclear products. The focus of the course will be on indirect methods on adult dentitions as an alternative procedure to porcelain crowns and veneers.

In the first two days, students learn the foundation of posterior restorations and they pertain to the Five Pillars of the Bioclear Method, which are essential for long-lasting, predictable, and minimally invasive Bioclear restorations. Students are introduced to the engineering principles involved in the design of the new non-retentive compression-based preps. The collaborative practice exercises in this portion simulate posterior restorations.

The second two days focus on anterior restorations. Students collaboratively practice

all applications of the Bioclear Method during intensive, hands-on exercises that simulate anterior restorations.

LEARNING OBJECTIVES

- Know and be able to apply the Five Pillars of the Bioclear Method
- Practice injection-molding and performing restorations
- Be able to (a) use composite restoration methods to mitigate tissue recession by naturally contouring the teeth, and to (b) protect the root by incorporating enamel coverage into the restoration
- Evaluate and plan natural-looking multi-tooth restorations
- Apply engineering principles to replace old alloys and update preparations for new, non-retentive, compression-based preps

4-Day Course & Operatory Package Bundle \$10,999*

Over \$3,400 in savings!

OPERATORY PACKAGE INCLUDES:

- Black Triangle Kit
- Complete HD Anterior Kit
- 360° Veneer Matrices
- Select Bioclear Evolve Posterior Kit
- Bioclear Evolve Pink Add-On Kit
- Evolve Matrix Pre-Molar Refill, sizes 5-8mm and 10mm
- TwinRing Universal Refill
- HeatSync Composite Warmer
- Bioclear Blasting Kit
- Rockstar Polish Kit
- Elite Instrument Set
- Learning Center Marketing Package
- Certified Doctor Page Set-Up
- Certified Doctor Page Annual Fee

*Offer valid in US only.
